## Nomination Materials

---

### Nomination Materials

As part of the completed nomination package, the following will need to be uploaded in the appropriate fields below:

- A detailed narrative (max. two pages) addressing the product's commercial use, its benefit to humanity, chemistry's central role, and the involvement of the nominees in developing and commercializing the product(s)
- A financial summary detailing the market success and economic impact of the nominated product(s)
- A completed Nominee Information Form, including all appropriate team members' information
- A short biography or résumé/CV for each nominee (combined as a single file for a team of nominees; max. two pages per nominee)
- Any supporting materials (i.e. brochures, articles, press releases, etc. combined as a single file) that speak to the impact of the product(s) are highly encouraged.

If the total size of the attachments is larger than 25MB (system limit), please contact [chemhero@acs.org](mailto:chemhero@acs.org) to receive additional instructions. All attachments must be doc, pdf, jpeg, or png format.

### Name of nominated product\*

*Character Limit: 60*

### Brief description of the product\*

*Character Limit: 250*

### What is the name of the company that is the current owner of the technology?\*

*Character Limit: 25*

### Has this company been consulted?\*

#### Choices

Yes

No

Unsure

## Product Narrative\*

Provide a detailed narrative addressing the product's commercial use, its benefit to humanity, chemistry's central role, and the involvement of the nominee(s) in developing and commercializing the product(s). Please use clear, non-technical, concise language in this section. This information will be used to draft press releases, web content, and other materials, which will later be vetted with winning companies.

*File Size Limit: 4 MB*

## Financial summary\*

Please provide a financial summary of the economic impact of the nominated product(s).

*File Size Limit: 2 MB*

## Supporting materials

Any brochures, articles, or press releases, etc. that describe the impact of the product being recognized are highly encouraged. File types supported: xlsx, doc, docx, pdf, jpeg, and jpg.

*File Size Limit: 13 MB*

## Nominee information\*

**At least one member of the team must be an ACS member with a standard or premium package.**

Download the nominee information form and complete this file by including all relevant contact information for each team member being nominated on this form.

*Please note, the information provided will be used for videos, plaques, and shipping of plaques.  
Please verify that the information entered is accurate.*

Upload completed nominee information form.

*File Size Limit: 1 MB*

## Short biography\*

Upload a short biography or résumé/CV (max 2 pages) for each nominee (combined as a single file).

*File Size Limit: 5 MB*

## *Communications/Public Relations Contact*

---

### Communications/Public Relations Contact

Please provide a primary contact for all communications/public relations-related matters. If your company is selected as a winner, this individual would serve as a liaison between the company and ACS, assisting with items such as coordinating press releases and press conferences, obtaining corporate collateral (i.e. pictures, logos, B-roll, etc.), and general communication to all necessary parties.
