

ACS Corporation Associates Local Section & International Chapter Grant

American Chemical Society

Grant Instructions

The ACS Committee on Corporation Associates (CA) provides funding for ACS local sections and international chapters to promote industry-focused events that benefit industrial members. Events can range from job fairs with local chemical employers, résumé writing workshops, networking receptions, hosted panel discussions with industry leaders and other similar forums to benefit those local section and international chapter members employed in industry.

Up to \$1,000 in grant funds are available per local section / international chapter.

Grants are accepted on a rolling basis and reviewed twice a year. Proposal deadlines below:

February 1: For consideration during Spring meetings

July 15: For consideration during Fall meetings

Requestor Information

Local Section/International Chapter*

If you select International Chapter, please specify your chapter in the next field.
